**10.16 cm (4) Display** helps in providing clearer pictures, and a wider viewing screen. It also brings other benefits such as smoother motion, richer and more natural colors on your Smartphone Screen. It makes your viewing experience more pleasurable.

**1.2 Ghz processor** allows to do multi tasking with several programs at the same time. It increases efficiency, high performance, high speed browsing and can also simultaneously handle multiple threads at a faster rate.

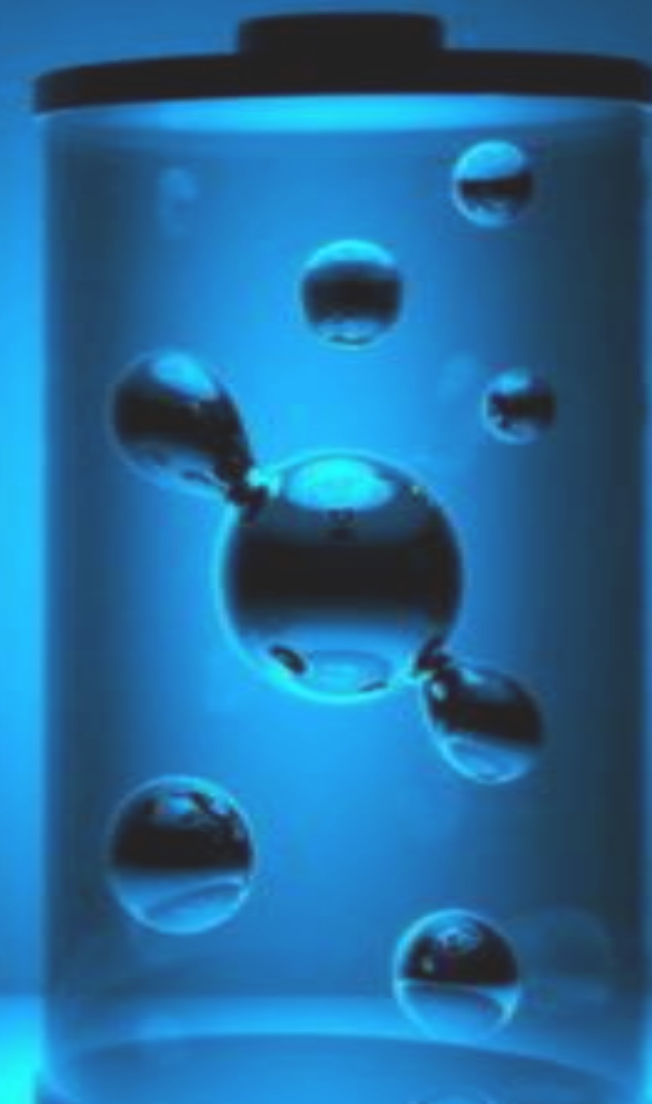

Everything in **KitKat** feels fast, fluid, and smooth. Moving between home screens and switching between apps is effortless, like turning pages in a book. With **KitKat**, the browsing activity also gets enhanced.

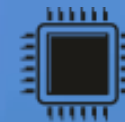

The Smartphone has a **3.2 MP rear camera with LED Flash & Digital front Camera** which lets you capture fun moments in life. It will help you to click and shoot memories.

**1800 mAh battery** will help you to use your Smartphone for hours. With Longer battery life you will be able to browse internet, play games, listen music and make calls for sufficient amount of time.
